

Quick Guide

How to bid on Housing Jigsaw

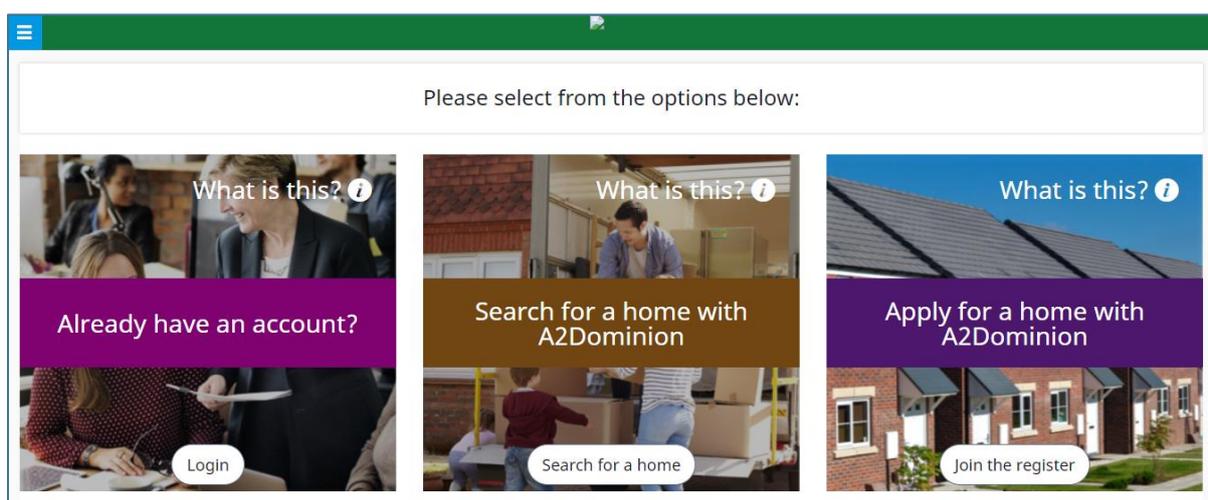

Housing Jigsaw is a new and improved website to make it easier for you to find your new home. The site is user-friendly and will guide you through bidding for a new home, but this guide will take you through the process step-by-step.

For help registering with Housing Jigsaw please refer to our quick guide; 'How to register'.

Step 1: Log in to the Housing Jigsaw website

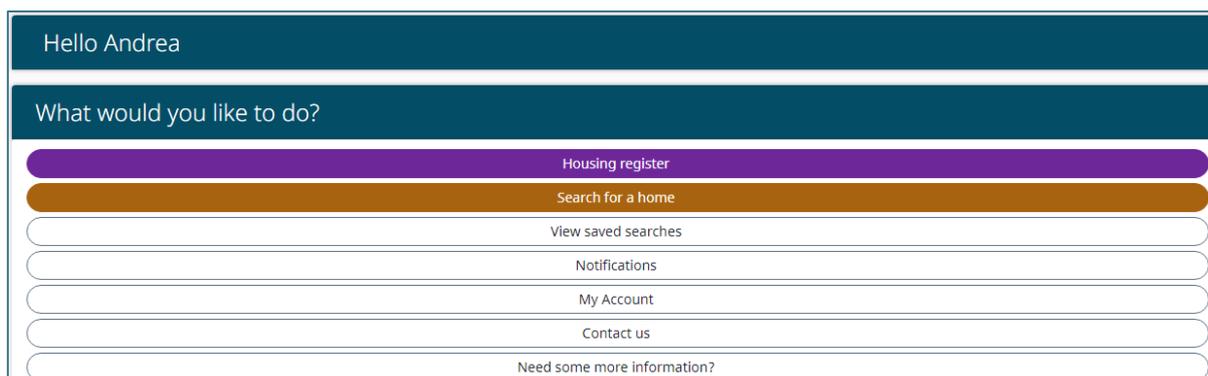

- Visit the Housing Jigsaw website at <https://a2dominion.housingjigsaw.co.uk/>
- Click "Login"
- Enter your email address and password to log in

If you have not yet registered on the Housing Jigsaw website, please refer to our Housing Jigsaw quick guide – 'How to register'. Once your registration is approved you can start to bid on properties that you're interested in.

Step 2: Search for a home

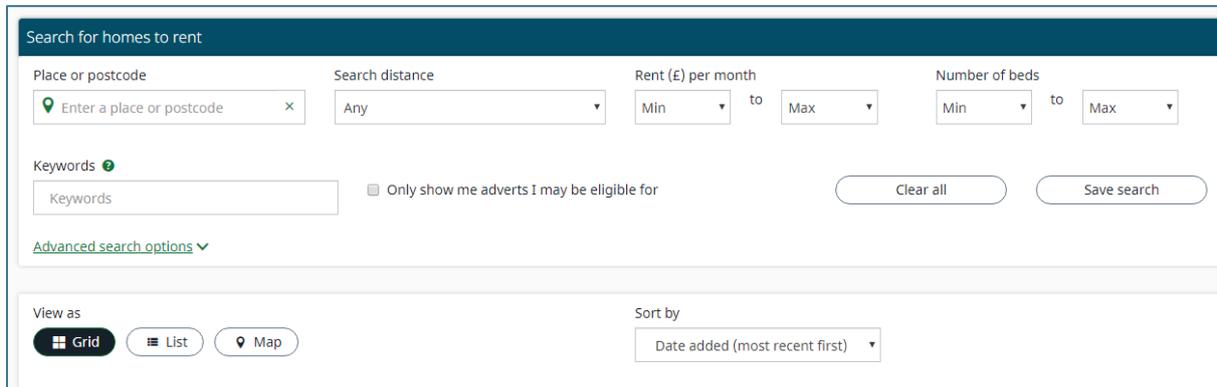

Once you have logged in to Housing Jigsaw website, begin your search for a new home by clicking on 'Search for a home'.

Step 3: Enter your search criteria

Enter your search criteria such as the postcode of the area you want to live in, amount of rent you can pay each month and number of bedrooms you need.

The page will automatically update with suitable properties as you input this information.

The screenshot shows a search interface titled "Search for homes to rent". It features several input fields and filters: "Place or postcode" with a location pin icon and a clear button; "Search distance" with a dropdown menu set to "Any"; "Rent (£) per month" with "Min" and "Max" dropdowns and a "to" separator; "Number of beds" with "Min" and "Max" dropdowns and a "to" separator. Below these is a "Keywords" input field, a checkbox for "Only show me adverts I may be eligible for", and buttons for "Clear all" and "Save search". A link for "Advanced search options" is also present. At the bottom, there are "View as" options for "Grid" (selected), "List", and "Map", and a "Sort by" dropdown menu set to "Date added (most recent first)".

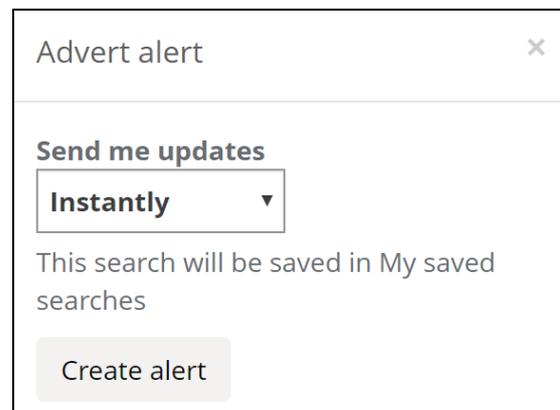

Step 4: Set up an alert

On this page you can set up an alert straight to your 'My saved searches' section by clicking 'Save search' once you've entered your search criteria.

This is a great way to find out about available properties without needing to actively look for them.

You can also choose how often you receive alerts from the 'Send me updates' drop-down box.

Click 'Create alert' to finish setting up the alert

The screenshot shows a dialog box titled "Advert alert" with a close button (X) in the top right corner. Inside the dialog, there is a section titled "Send me updates" with a dropdown menu currently set to "Instantly". Below this, a message states "This search will be saved in My saved searches". At the bottom of the dialog is a button labeled "Create alert".

Step 5: Select a property

Once you've found a property that interests you and you would like to place a bid on it, click on 'View details' at the bottom of the advertisement:

£359.00 per month (calendar)
