The most  
environmentally  
friendly  
cross-Channel  
operator

## A fleet of 18 shuttles

- 32 trucks can travel on each shuttle
- Up to 1 departure every 10 min

## ■ Shortest crossing time

In only 35 minutes, we provide the quickest journey time from Folkestone to Calais in a truck, thanks to our fast and efficient automatic check-in, ANPR and Smart Boarding.

## ■ Easiest transit across the Channel

Our customers benefit from motorway to motorway connectivity with a fast, smooth and efficient border process thanks to our innovative **Eurotunnel Border Pass**. The necessary information is securely transferred in a digital way via the Border Pass to the authorities in both countries.

## ■ Greatest reliability

We offer unrivalled frequency across the Channel with great flexibility to add departures depending on traffic requirements.

Our customers' delivery times can therefore be met with confidence.

## ■ Highest level of protection

Our highly secure terminals are designed to protect your drivers, your vehicles and your loads every step of their journey.

Our thorough controls are reinforced with sniffer patrols and motion sensors for detecting potential intrusions on board vehicles.

40 km of high security fences

570 CCTV cameras

Thermal detection sensors

Security Control Centre

98% of our customers agree that Eurotunnel offers an EASY service

Our shuttle service operates 24 hours a day, 7 days a week
