

# Explore your career in Financial Services Audit at KPMG

## What is FS Audit?

FS Audit means **working at the heart of the banking and insurance sectors**, which are essential to the Belgian economy.

As a Junior Auditor, you **evaluate the financial operations** to ensure **compliance** with laws, regulations, and internal policies, and to **assess the accuracy and integrity** of financial reporting.

## Why choose FS over other industries?

Working in FS can be **more challenging** and **intellectually stimulating**.

You'll work in a **heavily regulated** environment. You'll stay up to date with new regulations and interpret their impact.

You'll deal with **sophisticated financial instruments**, and complex transactions.

**Data analytics and AI** will help you address complex problems.

## How will you grow in your role?

Start as a Junior Auditor and **progress quickly**, gaining increasing **responsibility** in leading audits and managing **client relationships**.

Many financial institutions operate internationally. Grow within KPMG in various directions, including **opportunities with cross-border clients**.

## Who are we looking for?

**Analytical, motivated** finance graduates.

Collaborative **team players**.

Graduates with an interest in **data, innovation**, and **problem-solving**.
