

INFORMATION FOR LEARNERS

Dear Learner

Information for learners – Appeals guidance

Last week we published our guide [2021 qualifications – All you need to know](#) and we've now published some more detailed [information](#) about the appeals process for this year. As your grades are being determined by schools and colleges in Wales this year, the appeals process will be different. This information is for WJEC GCSE, AS and A level qualifications and the Welsh BaccaLaureate Skills Challenge Certificate.

If you've studied for other qualifications, including GCSEs or A levels offered by other exam boards or vocational qualifications the appeals process may be different – check with your school or college and they will tell you how you can appeal.

Do you want to know more?

We publish regular updates including frequently asked questions on our [website](#), and we post information on our Facebook and Twitter feeds and our recently launched Instagram page.

Have Your Say

We would like to hear what you think about the assessment arrangements for awarding grades this year, and we have a ['Have Your Say'](#) survey so we can understand your views. The survey will help us improve our communications for learners and will close on 6th June.

Yours sincerely,
