Unravelling the Mystery of Pet Food: What do Cats and Dogs Really Need?

Speaker: Caroline Burke BSc RVN NCert(SAN)
Date: Thursday 19th September, 2024
Start Time: 7pm

Deciding what to feed your cat or dog can be challenging. In the first webinar in this series, we will explore the difference between humans, cats and dogs and help you understand what cats and dogs really need. We will discuss the difference between nutrients and how this forms the basis of the Royal Canin nutritional approach. We will also help unravel the mystery of pet food labelling and marketing terms.

Under Construction: Nutrition from Heat to Whelping

Speaker: Hannah Lawrence-Still Cert CFVHNut
Date: Thursday 26th September, 2024
Start Time: 7pm

In this session, we'll discuss why careful attention needs to be paid to nutrition at the start of the breeding journey; after all, you can't make a good cake from poor ingredients! We'll explore how nutritional needs change and give you some tips on the when and what of nutrition from heat to whelping.
